### **Curtiss-Wright Honored for Sustained Excellence by Northrop Grumman Aeronautics Systems (NGAS) Delegation Program**

***As a Northrop Grumman Delegated Partner, Curtiss-Wright can now act on behalf of NGAS in conducting final acceptance of specified FTI products***

**ASHBURN, Va. – January 13, 2022** – Curtiss-Wright’s Defense Solutions division, a trusted leading supplier of flight test instrumentation (FTI) solutions engineered for success, was recently honored by Northrop Grumman Aeronautics Systems (NGAS) Delegation Program as a Delegated Partner. The honor reflects Curtiss-Wright’s Aerospace Instrumentation business’s sustained excellence as a supplier of high-quality products. As a Delegated Partner, Curtiss-Wright is now empowered to act on behalf of NGAS in conducting final acceptance of the Company’s FTI products designated as Delegated Partner by Purchase Order.

“We are exceptionally proud that Northrop Grumman has recognized our Aerospace Instrumentation business unit for sustained excellence and honored us under the Northrop Grumman Aeronautics Systems Delegation Program as a Delegated Partner,” said Chris Wiltsey, Senior Vice President and General Manager, Curtiss-Wright Defense Solutions. “It’s truly rewarding and encouraging to be identified by Northrop Grumman as a supplier of high-quality products. This accomplishment reaffirms our commitment to maintaining the highest standards in product quality and customer service.”
