Seller's warranties hereunder shall run to Buyer, its successors, assigns, customers and users of the Work. With respect to any defective Product and/or Documentation, Buyer, without waiving any remedies provided by law and/or under this Order, may require Seller, at its sole expense, as directed by Buyer, to promptly: (1) repair or replace the defective or non-conforming Product and/or Documentation (and correcting any plans, specifications or drawings affected) in a timely manner; (2) furnish Buyer any materials, parts and instructions necessary to enable Buyer or its customer to correct or have corrected the defect or nonconformity, or (3) refund the purchase price, or an appropriate portion thereof, to Buyer.
