
10 May 2024

Regretfully, due to unforeseen circumstances, we are cancelling the 2024 TCG Users Group event, planned for 4-6 June. We apologize to the members of the TDL community that have made plans to travel and attend the event.

The decision to cancel the event was not made lightly. After careful consideration and consultation with various stakeholders, we concluded that we would not be able to maintain the same level of quality this year that we have had in prior years and therefore it is in the best interest of all parties involved to call off the event.

We will overcome the issues from this year and plan to have a Users Group event at about the same time next year. Thank you for your understanding. We hope to see you in 2025.

Sincerely,

Michael Hiney
General Manager, Tactical Communications Group (TCG)
