

END OF LIFE NOTICE

SCRAMNet+ Product Line

FEBRUARY 1, 2017

Because you are a valued Customer, we want to keep you informed of some changes in the availability of selected Curtiss-Wright products. After nearly 22 years in production, Curtiss-Wright is discontinuing the SCRAMNet+ product line.

Affected Products	Description
Part Numbers with Prefix:	
H-AS-D	SCRAMNet+ boards
H-AS-Q	Quad switches
H-PR-W	Cables
H-AS-3900	Various SCRAMNet+ boards, switches, & accessories

Material availability is limited, so orders will be accepted on a first-come, first-served basis through July 31, 2017. All orders will be accepted as non-cancellable and non-returnable. Shipments will be completed by December 31, 2017.

In the event of a material shortage, Curtiss-Wright may be unable to satisfy all LTB orders. Customers are advised to submit orders as soon as possible.

Products will ship with Curtiss-Wright's standard one-year warranty. Repair of the SCRAMNet+ products will continue on a best effort basis through December 31, 2019.

There will not be replacement products for the SCRAMNet+ product line, so please plan accordingly.

For questions regarding this announcement, please contact the factory at 937-610-5426 or 937-610-5438.
